

## SUI NORTHERN GAS TRAINING INSTITUTE (SNGTI)

Sui Northern Gas Pipelines Limited is the largest integrated natural gas transmission and distribution company of the region. The company operates in provinces of Punjab and NWFP, serving more than 2.9 million consumers through a workforce of approximately 7000 employees

For the continued training and development of its staff & executives, the company has established a training institute – SNGTI – where employees of all categories are imparted requisite training in technical, vocational and Soft Skills. The institute is headed by an experienced engineer and is equipped with State-of-the art training facilities. The faculty of institute comprises highly educated foreign qualified lecturers trained for the job. Besides, a pool of in-house trainers who have had extensive on-the-job experience has been trained and developed for conducting training sessions in their respective disciplines at SNGTI.

### **Training Facilities**
