

Procedure to Obtain PSS/E Xplore Trial Version

To request and download the trial version of **PSS/E Xplore**, please follow the steps below:

1. **Open the Registration Link**

Click on the following link:

 <https://www.siemens.com/global/en/products/energy/grid-software/planning/pss-software/psse-xplore-order-form.html>

2. **Fill Out the Form**

- Enter all required credentials and details accurately.
- In the **Message Box**, briefly mention why you need the software (for example: *“For evaluation and academic use to perform power system studies and simulations.”*).
- Click **Submit** once completed.

3. **Verify Your Account**

- You may receive an email from Siemens asking you to confirm your account.
- Click **“Confirm Now”** in that email to verify your registration.

4. **Receive Trial Confirmation**

- Within a few minutes, you will receive an acknowledgment email with the following message:
“Thank you for registering for the PSS/E software trial. Your exclusive software download link will be sent from us within the next four business days.”
- The download link and activation details will follow in a separate email from Siemens after the mentioned duration.
